

# NOTICE TO UNINSURED OR SELF-PAY INDIVIDUALS ABOUT “GOOD FAITH ESTIMATE”

Under Section 2799B-6 of the Public Health Service Act, health care providers and health care facilities are required to inform individuals who are not enrolled in a plan or coverage or a Federal health care program, or not seeking to file a claim with their plan or coverage both orally and in writing of their ability, upon request or at the time of scheduling health care items and services, to receive a **“Good Faith Estimate” of expected charges.**

**You have the right to receive a “Good Faith Estimate”** explaining how much your medical care will cost . Under the law, health care providers need to give patients who don’t have insurance or who are not using insurance an estimate of the bill for medical items and services.

**You have the right to receive a Good Faith Estimate for the total** expected cost of any non-emergency items or services. This includes related costs like medical tests, pre prescription drugs, equipment, and hospital fees. Make sure your health care provider gives you a Good Faith Estimate in writing at least 1 business day before your medical service or item.

**You can also ask your health care provider, and any other provider** you choose, for a Good Faith Estimate before you schedule an item or service. If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill. Make sure to save a copy or picture of your Good Faith Estimate.
